APO Productivity Photo Contest 2010

The August deadline is approaching for this year's APO Productivity Photo Contest.
We're waiting for pictures that illustrate efforts in productivity (people working together for improvement in agriculture, industry, schools, communities... there are topics all around us). For details, see our Web site (www.apo-tokyo.org).

A scene of daily life captured in Chonburi, Thailand, by Nanuch Nijnananant, Thailand, Merit Prize, APO Photo Contest 2001
